

OnePlanet.

New reality. New thinking. New tools.

October 2023

A good run!

-  Health and happiness
-  Equity and local economy
-  Culture and community
-  Land and nature
-  Sustainable water
-  Local and sustainable food
-  Travel and transport
-  Materials and products
-  Zero waste
-  Zero carbon energy

 ONE PLANET LIVING |  A framework by Bioregional

OnePlanet.

Sustainability = understanding interconnectedness

New Reality

Greece wildfires: Hundreds more evacuated as uncontrolled fires rage

Arctic methane deposits 'starting to release', scientists say

Enormous 'Megafire' In Australia Engulfs 1.5 Million Acres

Great Barrier Reef suffers 89% collapse in new coral after bleaching events

SCIENTIFIC AMERICAN

Humans Have Crossed 6 of 9 'Planetary Boundaries'

New Thinking

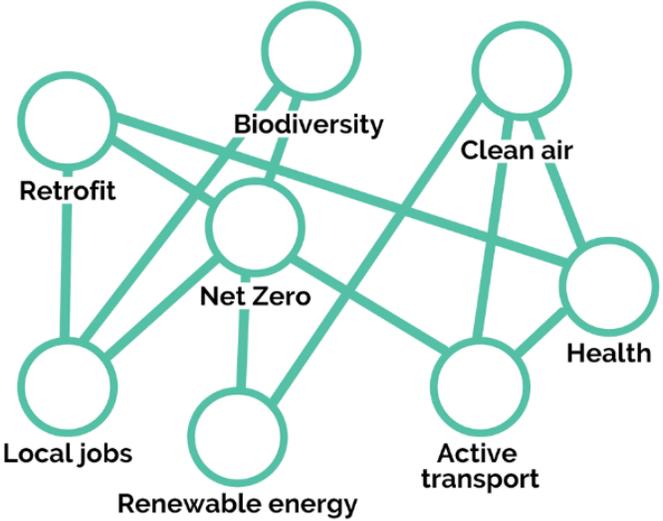

ISSUES

Cost of living!
Pandemics Housing need
Refugees! Fuel poverty
Air pollution Traffic!
Climate emergency!
Inequality Childhood obesity
Net zero **Crime!**

OUTCOMES

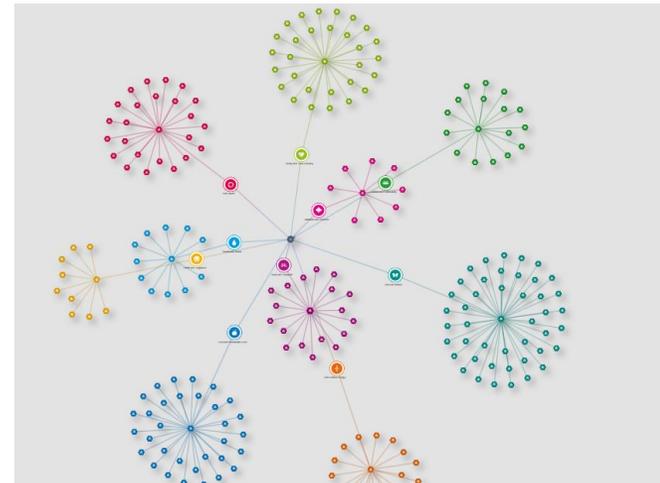

New Tools.

Connect the dots for joined-up action

CLIMATE
RESILIENCE
CENTRE
WORTHING

OnePlanet.
