

Community Works Representatives in Brighton and Hove

2026-2029

Representing the voluntary and community sector at a local level is a key part of our work. We ensure that our members' voices and expertise are heard at a range of partnerships, boards, and informal meetings with key people across the local area.

Our members choose representatives from within our membership every three years to undertake this work, and we co-opt additional reps as necessary.

Theme	Representatives
